

Provision for International Students Report

School Name: Spotswood College

Profile Number: 173

Location: New Plymouth

Background

The Education Review Office reviews schools that are signatories to the *Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021* established under section 534 of the Education and Training Act 2020.

Findings

Spotswood College has attested that it complies with all aspects of the Code.

At the time of the ERO review, 23 international students were enrolled.

Spotswood College is effective in using self review to support high quality provision for international students. Regular and ongoing self review, incorporating a range of stakeholder voice, helps the school to continually improve the provision for international students.

The provision of high quality pastoral care of international students is a school priority. Student progress and wellbeing are closely monitored using a team approach; multiple layers of support are in place to meet the needs of international students. Students are actively supported to access and excel in all areas of school life.

International students are hosted in local homestay accommodation. Where possible, homestay accommodation is matched to the aspirations and interests of the visiting students.

International students appreciate the level of care that they receive and are enriched by the experiences they are offered.
